

Church Environment Ministry Objectives

2016-17

1. The Environment Committee will invite all members of the general congregation to assist in decorating the church for Christmas and Easter by placing notices in the bulletin and/or by blasting an email in order to reach more recipients.
2. The committee will post an online link to the current Linen schedule, its members and contact information on the sjcparish.org website under Ministry Schedules > Environment.
3. Once a year, the committee leaders will show their appreciation to their volunteers by hosting a luncheon and inviting anyone who may be interested in joining.
4. The committee leaders will email members about continuing education and workshop opportunities for flower arranging during the course of the year.
