Note 1:

This Summer schedule has been prepared with the number of altar server scheduled at each mass reduced from three (3) servers to two (2) servers. This reduction in the number of servers assigned is planned for the summer’s schedule only we will resume in the Fall with three altar servers scheduled for each mass.

The reason for reducing the number of servers on the Summer schedule is to provide a reasonable number of assigned serving opportunities for the limited number of altar servers that are available over the summer time period.

The number of available altar servers is limited primarily due to the unavailability of a number of servers for all or some portion of the summer season and the loss of a few servers due to graduation.

As a result of this reduced number of servers assigned to each mass **it is even more important that each assignment be filled by the assigned server or by a substitute.**
