

Dinner with Friends

Dinner, Music & Sing Along

for the blind and visually impaired

Saturday, Sept. 29

Sponsored by SJC's Ministry with People with Disabilities

Please join us for a friendly evening of light dinner and activities for the blind and visually impaired. Everyone will sit together to create and enjoy fajitas and a simple dessert. After dinner, we will get together for social activities, including a sing-along and open mic with YOUR favorite songs.

Our spring 'Dinner with Friends' was great fun, and we look forward to another great opportunity to get everyone together and have fun.

We welcome all, so feel free to invite a friend!
